Telehealth Consent

Written Statement, as per the Nebraska Telehealth Act 71-8505

1. Patients retain the option to refuse a telehealth session at any time without affecting the patient's right to future care or treatment and without risking the loss or withdrawal of any program benefits to which the patient would otherwise be entitled.
2. All existing confidentiality protections shall apply to a telehealth session.
3. The patient shall have access to all medical information resulting from the telehealth session as provided by law for the patient access to his or her medical records.
4. Dissemination of any patient identifiable images or information from the telehealth session to researchers or other entities shall not occur without the written consent of the patient.
